2. The command Safety Officer (SO) or Collateral Duty Safety Officer (CDSO) shall accompany the inspectors during the Risk Assessment. It is the responsibility of each command to ensure that all spaces be available during the assessment. It is equally important that your SO/CDSO be prepared to open and/or provide access to all spaces to insure that a complete assessment is conducted. If your actual space or duty location is different from that listed on the schedule, please contact the OSH Office as soon as possible at DSN 626-4857 or via fax at DSN 626-3147.

3. The report will be forwarded to your command not later than 15 working days after completion of risk assessment. It is important that prompt corrective action be taken on each deficiency and that initial responses are forwarded to the OSH Office within 30 days of receipt of the report, per reference (c).

4. For additional information, please contact the NSA OSH Office at DSN 626-4857.
